Nutrition:

According with state minimum standards your child will be served a nutritionally balanced lunch every day. If the posted menu for the day does not work with your child's food allergies or restrictions it will be your responsibility to send in a meal for that day. If you choose to bring lunch for your child, you are taking the responsibility for your child's nutritional needs. A vegetarian option is always available as well.

Medication:

In an effort to keep kids healthy and free of illness, Tylenol and Ibuprofen will not be administered without a doctor's note due to the fact that they mask symptoms of illness. Medications must be age specific and are only administered at 12:00pm and 4:00pm.
